**Case No.

PETITIONER'S MOTION FOR LEAVE TO AMEND

Petitioner Timothy W. Saunders respectfully moves this Court for an order permitting him to amend his original petition for Habeas Corpus under 28 U.S.C. § 2254. In its October 20, 2017, order lifting the stay on this matter, this Court ordered Petitioner to file an Amended Petition by November 27, 2017. Doc. 39 at 2. Petitioner now requests leave to amend, to the extent necessary, under Federal Rule of Civil Procedure 15(a)(2).

DISCUSSION

Under federal habeas law, an application for a writ of habeas corpus generally may be amended or supplemented as provided in the rules of procedure applicable to civil actions. 28 U.S.C. § 2242; Fed.R.Civ.P. 81(a)(4); *see also* Rule 12, Rules Governing § 2254 Cases (providing that the Federal Rules of Civil Procedure may be applied when appropriate and “when not inconsistent with these

rules.”); *Williams v. Chatman*, 510 F.3d 1290, 1293 (11th Cir.2007) (stating Federal Rules of Civil Procedure apply to habeas proceedings, to the extent they are not inconsistent with the statutes that govern habeas proceedings).

Federal Rule of Civil Procedure 15 governs amended pleadings in civil cases. FRCP 15(a)(2) allows for an amended complaint “with the opposing party's written consent or the court's leave. The court should freely give leave when justice so requires.” Fed. R. Civ. P. 15(a)(2).

Aside from following the Court's direction from the order lifting the stay (Doc. 39), Petitioner further amended his petition to include an updated procedural history since the original filing in 2010. Petitioner also included record cites in the amended petition to the record requested by this Court in the order lifting the stay (Doc. 39), and included all arguments that were raised in the prior proceedings in State Court.

Counsel for Mr. Saunders has asked whether counsel for Respondent Cynthia Stewart opposes this Motion for Leave to Amend and has been informed, in writing, that the Respondent does not oppose the relief requested in this Motion. Accordingly, this Court should grant this unopposed Motion for Leave to Amend and allow Mr. Saunders to file the Amended Petition attached to this Motion as **Exhibit A.**

Respectfully submitted this 27th day of November, 2017.
